

Advanced Placement Information Night
 Monday February 6, 2017
 5:45 p.m. - 6:30 p.m.

Overview of Advanced Placement: Advanced Placement Program® (AP®) courses are college-level courses offered in high school. The content and rigor of AP courses reflects what is taught in top introductory college courses. Enrolling in an AP course prepares students to take the end of course AP Exams, which measure how well students have mastered college-level course work. Students who do well on AP exams may earn college credit at various colleges and universities.
