OAK RIDGE HIGH SCHOOL HONOR CODE

Mission and Vision

Honor is about academic integrity, moral and ethical conduct, and pride of membership in a community that values academic achievement and individual responsibility. Cultivating honor lays the foundation for lifelong integrity, developing in each of us the courage and insight to make difficult choices and accept responsibility for actions and their consequences, even at personal cost.

The Oak Ridge High school Honor Code represents the integrity of its learning community and consists of persons who are:

- Honest
- Responsible for personal actions
- Respectful of the rights and property of others
- Respectful of school property and the environment

Purpose of the Code

The goal of the Honor Code is for all members of the Oak Ridge High School learning community to live by the code as opposed to merely abstain from wrong doing, thus securing an environment where academic integrity, and the resulting behavior, can flourish. The Honor Code recognizes the importance of honesty, trust, fairness, respect, and responsibility and wishes these principles to be a defining part of the Oak Ridge High School campus.

CLASSROOM BEHAVIOR STANDARDS

All students should behave appropriately in class. Disruption of the learning process will not be tolerated.

1. Show respect for others by being considerate and courteous.
2. Be on time to class with appropriate materials.
3. Enter the classroom and take your seat quietly. Remain in your seat unless otherwise instructed by the teacher.
4. Stay on task for the assigned time. Follow directions.
5. Keep hands, feet and objects to yourself.
6. Class will begin and be dismissed by the instructor, not the bell.
7. Work stations are to be kept neat, safe, and clean.
8. An additional consequence may result for disruption or defiance when a substitute is present.

ACADEMIC HONESTY POLICY

El Dorado Union High School District Board Policy

The Governing Board believes that academic honesty and personal integrity are fundamental components of a student's education and character development. The Board expects that students will not cheat, lie, plagiarize, and knowingly allow others to copy work, or commit other acts of academic dishonesty.

Students, parents/guardians, staff, and administrators shall be responsible for creating and maintaining a positive school climate that encourages honesty. Students found to have committed an act of academic dishonesty shall be subject to district and school-site discipline rules which includes failing the assignment and receiving progressive discipline consequences.

Oak Ridge High School Breach of Academic Honesty Policy

Breach of the ORHS Honor Code may result in disciplinary consequences. The Assertive Discipline Record of each student is cumulative. Each infraction (including all classes) will result in incremental discipline / consequences:

First Incident	Teacher contacts parents/guardians. Student fails assignment, student receives Saturday School Session, and student behavior is noted in the Assertive Discipline Record.
Second Incident	Teacher contacts parents/guardians. Student fails assignment, student will receive two Saturday Schools and/or other disciplinary consequences, and student behavior is noted in Assertive Discipline Record. Administrator will conduct a phone or personal conference with parent.
Third Incident	Teacher contacts parents/guardians. Student will continue to receive fails on assignments and incremental discipline/consequences will follow. Guidance Counselor will call a meeting.

Specific infractions not intended to be inclusive of all breach of academic honesty infractions:

- Copying from another student or knowingly allowing another to copy
- Using unauthorized materials and/or technologies.
- Plagiarizing work, which is the appropriation of any work that is not original to the writer without acknowledging/citing said work as such by student and submitting, said work for credit.
- Knowingly obtaining, possessing, photographing, providing, using, buying, selling, or soliciting in part or whole the contents of an examination/test/quiz/lab.
- Intentionally disadvantaging other students by tainting lab results, destroying the work/project of another, erasing another person's work/project or program, etc.
- Forging
- Using online translators inappropriately
- Sharing work that results in academic dishonesty

OAK RIDGE HIGH SCHOOL IDENTIFICATION (ID) CARDS

ID pictures of all students are taken in August. All students will be issued a free photo ID card. Students are expected to carry this card on campus at all times and be prepared to present it at the request of any staff member. ID cards are necessary to check out books and materials from the Library, to be admitted to any ORHS sponsored dances or other activities, and to purchase or pick up items from the Finance Office. In addition to the identification card, students may purchase an ASB (Associated Student Body) card in August. This ASB option provides discounts to dances, plays, and free entry to home athletic games with the exception of Playoffs and Tournaments. Replacement cost for a lost ID card is \$5.00 for students without ASB; replacement is free for those with ASB. For safety reasons, students are not to disguise or alter their appearance in any way for student identification pictures.

STUDENT GOVERNMENT

The purpose of student government at Oak Ridge High School is to direct and coordinate the activities of the Associated Student Body and to promote the interests and uphold the standards of Oak Ridge High School.

CLASS OFFICERS

Each of the four classes will elect students to serve as class officers: President, and Vice President. These positions will ensure equitable representation for important votes on issues that are vital to each class. The eligibility for these officers is the same as for the Associated Student Body Offices except that each class officer must be a member of the class which he/she hopes to represent, and the required grade point average for all officers is 3.0.

VEHICLES/PARKING

All student vehicles parked on the ORHS campus during school hours must be registered with the Assistant Principals office and must display the placard issued at the time of that registration. Unregistered vehicles are subject to school consequences and towing at the owners expense. Students may not park in spaces marked "reserved" or "visitor". All California Vehicle Code rules apply while on campus. Driving or parking inappropriately on the campus will result in disciplinary consequences issued by ORHS and may result in the revocation of parking privileges. Students may also be cited by law enforcement for campus driving or parking infractions. Ride sharing is encouraged due to limited availability of student parking. Students may not park in the Rolling Hills parking lot.

Students are not permitted to access their cars or parking areas during the school day.

Protect your password. Do not allow anyone else to use your password, and do not use anyone else's password.

Anyone "hacking into the system", altering grades or school websites, planning, planting, or launching a virus on the network will be held financially responsible and issued appropriate consequences. Individuals who provide or use another person's username and password will be considered in violation of the ORHS Honor Code and will receive a referral for a breach of integrity. The Student Resource Officer will be immediately notified of any student that impersonates a peer or staff member online or via other electronic devices.

ELECTRONIC DEVICES

Students may possess appropriate electronic devices on the Oak Ridge High School campus and during school/district-sponsored activities. Such devices include laptops and cellular telephones. Use of these devices may not interfere with the learning process.

Students shall turn off, not use, and keep out of sight electronic devices during a time and place of instruction, or during any period of the day when classes are in session, in areas such as a classroom or other instructional location, hallways, bathroom, etc. They shall also be turned off, not used, and out of sight while in the school library or while attending a school assembly. Teachers will inform students if and when it may be appropriate to use a cell phone during instructional time.

Students may use their device during non-instructional times such as before and after school, nutrition break, and lunchtime.

Students who violate this regulation shall be subject to disciplinary procedures as a willful defiance of school rules. The device will be confiscated by school administration and discipline consequences may result from repeated or extremely serious violations.

- While going to or coming from school
- During the lunch period, whether on or off campus

- Illness
- Injury
- Medical/Dental appointments
- Funeral services for a member of the immediate family
- Quarantine

Other absences, which are acceptable, ***with prior approval***, include:

- Required Court appearance
- Funeral for other than the immediate family

- Working
- Vacation
- Baby-sitting
- Personal business
- Unverified illness

Consequences for violations will be administered. Parents may not excuse students to leave the classroom except for a valid appointment.

Absence Verification

Reasons for student absences are to be verified by a phone call (916) 933-6980, ext. 3080, ext. 3080, or a note brought to the Attendance Office or by responding to the Parent Square notice within 48 hours of the absence. Parents, doctors, or school officials may verify absences. Students, who have attained the age of eighteen years may verify their own absences. **The school may request additional verification when deemed necessary.** Absence verification should include the following information: **first and last name of the student, date(s) absent, reason for the absence, and the name and relationship of the person verifying the absence.**

Two (2) school days will be allowed to make up each day's excused absence. Students absent for school-sponsored activities may be required by the teacher to make up the work before the absence. A student absent on the day of a test may be required to take the test on the day of his/her return. If the absence falls on the day an assignment is due, and the student had prior knowledge of the assignment, the student may be required to submit that assignment upon the day of his/her return. If sufficient make-up time is not possible prior to the grading period, the teacher may issue and "I" (Incomplete) grade until such time as the work is completed. A maximum of four weeks after the grading period is allowed for such make-up work. The student is responsible for arranging the makeup work. Families are encouraged to contact teachers via e-mail for specifics regarding make-up work.

Truancy

When a student has repeated absences for unacceptable reasons, the student will be considered a "habitual truant". This may result in a referral to the Student Attendance Review Board (SARB), or the filing of an application for petition with the El Dorado County Probation Department, or a complaint may be filed against the parent in the Justice Court. Habitual truancy constitutes grounds for an involuntary transfer to an alternative school.

Minimum Attendance

Positive attendance is a prerequisite to satisfactory job performance. The same holds true for school. Class time missed cannot be fully replaced with make-up assignments. Students who are absent, for any reason, more than 10 percent of the time should not expect to pass the class.

ATTENDANCE POLICY

(continued)

Home & Hospital Teaching

Students who will be unable to attend school due to an illness or accident for an extended period of time (usually in excess of two weeks) should contact the Counseling Department to arrange for a home/hospital teacher.

Early Dismissal/Late Arrival

If your student needs to be dismissed early, please send a note with your student using his/her **NAME, GRADE, TIME, DATE and REASON** for arrival/dismissal.

Checking In: Upon arrival, your student needs to check in at the attendance office for a pass to class.

Checking Out: When checking out, your student needs to come to the Attendance Office with his/her note, before school, during Nutrition Break, or at lunch to obtain a pass.

Every student must check out with the Attendance Office before leaving school for any reason.

Failing to check out properly will result in a referral with an assigned detention. After obtaining a pass, the student is considered to be “checked out” and can then leave campus at the time shown on the pass. Parents do not need to come to the Attendance Office if they have called or sent the student with a note.

If your student feels ill they should go the Health office to be evaluated. The District Nurse or Health Technician will make arrangements for the student to go home if appropriate.

Emergency Checkout

OAK RIDGE HIGH SCHOOL DRESS CODE

Oak Ridge High School expects all students will dress in a way that is appropriate for the school day or for any school sponsored event. The primary responsibility for a student's attire resides with the student and parents or guardians. The school is responsible for seeing that student attire does not interfere with the health and safety of any student. Student attire cannot contribute to an environment that is hostile or intimidating. The dress code enforcement will not reinforce or increase marginalization or oppression of any group based on race, sex, ethnicity, gender identity, gender expression, sexual orientation, religion, or cultural observance.

VALUES:

- Student dress codes should support equitable educational access.
- All students and staff should understand that they are responsible for managing their own personal distraction without regulating student clothing/self-expression.
