

2022 AP Exam Registration

Taking the Advanced Placement exams is an important part of all AP courses. Oak Ridge High School highly encourages all students take AP exams for the AP classes they are enrolled. Scoring well on an AP exam can earn student’s college credit, enhancing the college application and saving a significant amount on tuition.

For the 2022 AP exams, students at Oak Ridge High School will register online. **This will be a two-step process.** The registration will take a few minutes and can be completed from any computer with internet access.

This year each AP exam will cost \$96.00. Students have the option to pay for the exam(s) in full at this time, or place a \$40 deposit per exam. Students requiring financial assistance should contact Ms. Darsy Arburn, darburn@eduhd.k12.ca.us, in the Oak Ridge High School Counseling Office to learn more.

Step One: Go to www.myap.collegeboard.org, sign into your student account, and join your AP Classroom(s).

*Joining the College Board AP Classroom **does not** order the student an AP exam. Total Registration must be used to order and pay for each exam.*

The purchase is not complete until the student prints the pdf of the confirmation page that is provided at the end. **We strongly recommend that parent and student are both present while registering to ensure that the correct exams are ordered and the STUDENT name is entered correctly.**

Please be sure to have a credit card or debit card available before beginning registration. Student/Parent will choose whether to pay their entire balance without an additional fee or make a partial payment for a fee of \$2.75 charged by Total Registration.
