Open: Mon - Fri 7:30am - 4:00pm

Where: Room A-1

About

At the College & Career Center, students can receive support in forming their post high school plan. Students are encouraged to apply their strengths, likes and attributes to career exploration and learn about options for higher education. Students and families can visit the ORHS website for resources and event information. We suggest that students meet with their Counselor to make sure they're on track for graduation, and aware of the opportunities available through courses and programs at ORHS, and visit the College & Career Center for continued support.
