

# **Service Learning**

*Learning in the real world*

**This class meets once each week, on Mondays. The rest of the time, you are off campus.**

**You serve and learn out *in the community* by going to a service placement four hours each week anytime it best fits your schedule.**

**Serve in a political office, elementary school classroom, rest home, food bank, medical office or anyplace you can *serve*.**

**You choose the placement.**

- **Makes time for service during the school day.**
- **Looks awesome on college applications.**
- **Helps you decide what you want to do with your life.**
- **Gives you the opportunity to make a difference in the lives of others.**
